Re: REACH Compliance

To Whom it May Concern,

Cartel Electronics is in full compliance with REACH regulations concerning restrictions on declared substances and chemicals of very high concern as found on the Candidate List of Substances of Very High Concern SVHC 138 (12/19/2012), and does not produce or procure items on the REACH Restricted Chemicals List.

Respectfully,

A handwritten signature in black ink, appearing to read "Victor Avdonin".

Victor Avdonin

Cartel Director of Quality
