

To Whom It May Concern,

Cartel Electronics supports the purpose of the Section 1502 (conflict minerals) of The Dodd-Frank Wall Street Reform and Consumer Protection Act concluded in July 2010, and announced its "Position on Conflict Minerals" as CSR Procurement

This is to certify that material supplied per the applicable purchase order that we Cartel Electronics confirm / validate the Origin of the material to the extent of smelters as per the Dodd Frank act, and ensure no material / minerals used or acquired from the Democratic Republic of the Congo.

▪ We have products that contain Tin, Gold, Tungsten or Tantalum but have verified that they do not originate from a mine in the DRC.

Mine / Smelter location:

Tantalum: NA _____
Gold: Royal Canadian Mint _____
Tin: Peru – Mensur Mines _____
Tungsten: NA _____

We Cartel Electronics with our customers, we share the information of the smelters identified in Our supply-chain, as much as information gets available to us. To the smelters identified during our survey, we request them, through its industrial association or supply-chain, to take a third party audit (for example, EICC-GeSI Conflict-Free Smelter Program) to ensure the DRC conflict-free. In the end, we aim to the DRC conflict-free by replacing to ensured smelters.
